

## My Experience at Sehgal Neo Hospital

I've been here since 3 days & they just treated me like I'm just feeling Perfect. Service, facilities, staff, doctors, Room everything is nice. My Doctor acted like a friend to me & loved me & now I'm fine so, I'm leaving. I wasn't well before as well but I've never been to the Hospital with such facilities. Thankyou & I'm fine now & had a great Experience.
