## My Experience at Sehgal Neo Hospital

We are very happy after treatment at Sehgal Neo Hospital because all the doctors (Dr. Alka Jain, Dr. Priyanka, Dr. Tabassum, Dr. Mridu Jain, Dr. Samta etc.) were very soft spoken, very caring, co-operative & very experienced. All the other staff Sp. (Miss Kamlesh) & others were very caring & helpful.

This was our second delivery at Sehgal Hospital & again they have strengthened our faith due to their excellent service. Thanks a lot.
