

My Experience at Sehgal Neo Hospital

Sehgal is not just a hospital, it's much like an extended family far from home. I am a resident of Bihar and fell ill in Delhi. Sehgal treated me as my own parents. None of my family was here but I never felt alone. It's a beautiful, clean, caring and responsible hospital. Thank you Sehgal Neo. " Staff is so caring. Doctors are responsible and administration is so supportive. Thank to Kisan Ma'am for her friendly support."
