

My Experience at Sehgal Neo Hospital

This is our first baby and we have really wonderful experience with "SNH". ~~From very good~~ ~~with getting the~~ Doctors, sisters and all other staff were very mannered, prompt and very co-operative. I would like to mention few name of SNH staff whose dedication ~~and~~ towards service ~~is~~ made us really happy. Those name are Surendra, Manpreet and Janika.

We want to thank every member (staff) of SNH for such great behaviour.

Good luck to all. keep bringing smile to All.
